White Strong & Flexible

Add to Cart $6.97
2. repair
frustration & opportunity
Xantrex DR2412 2,400W 12V DC to AC
Global Village Construction Set!
3. the emperor’s suit
hyperbolic curmudgeonry
why is it part of the Arduino (OSHW) family?
easy to use software
open source software
excellent documentation
great example code
extensive libraries
friendly online forums
inspiring projects
community
not because of OSHW
what does it mean that LilyPad is OSHW?
almost nothing
this is true for 80% of what we celebrate as OSHW
moral of the story?
thank you!
