CERN OHL Update

Myriam Ayass

CERN OHL v.1.2

- Modifications
 - Fine-tuning of reciprocity
 - Scope of copyleft (« same level of abstraction »)
 - Source (or viewable format)
 - Notification

Users

- CERN OHL v.1.1 released July 7, 2011
- Period of consultation for v.1.2
- Draft of v.1.2 open for comments
- 27 projects on the Open Hardware Repository licensed under CERN OHL v.1.1 (as of Sept. 2012)
- Not only CERN...
- Growing interest to use it for large projects

Outstanding issues

- How are libraries of components best dealt with?
- How best to follow different versions of hardware?
- Open source design tools
